

HERE IN HARLEY STREET

The **Harley Street BID** is the newly established business improvement district for this area, representing a mix of business from the local community, is delighted to bring you this wayfinding map.

The BID has a comprehensive public realm strategy, providing this wayfinding tool which sits well under this theme. We plan to provide additional seating, some greening initiatives and work to reduce pollution by delivering air quality initiatives.

We are excited to partner with stakeholders to bring you events for staff such as wellbeing and exercise opportunities, relevant business resilience events and our monthly newsletters. Please do sign up to our newsletter at www.harleystreetbid.com or scan the QR-code above.

Welcome to the **Harley Street Business Improvement District** - connected by purpose, driven by life

St Marylebone
Parish Church

St Marylebone Parish Church was built in 1817, and is a wonderful example of a Grade I listed regency building. Visitors to the church can learn about the history and heritage of the area through a number of ongoing exhibitions. Famous faces associated with the church include Poets Robert and Elizabeth Browning, who married in the church, Charles Dickens whose children were baptised there, and more recently Judy Garland whose wedding was blessed at St Marylebone.

The parish church is open to all, with a beautiful interior and tranquil church gardens facing the Marylebone High Street. Morning & Evening Prayer takes place on weekdays at 9.30am and 5.30pm.
