

BOUNDARY MAP

The BID boundary covers the business district from Marylebone Road in the north to Bolsover Street in the east, as far south as Henrietta Street and meets the boundary of the Baker Street Quarter BID in the west.

The BID boundary overlaps with the New West End Company (NWECC) in the southern section. NWECC is a retail and leisure BID and only applies levies to businesses rated to these industries with specific VOA codes. Any hereditaments which are subject to the NWECC BID levy will be excluded from the Harley Street Area BID levy liability. Other businesses who fall within this section of the footprint and are eligible for the BID levy will pay the Harley Street Area BID levy. No business will ever pay more than one BID levy per hereditament. This facilitates a fantastic opportunity to collaborate and work together.
