

A NEW PARKLET FOR MARYLEBONE STREET

Greener • Safer • More Welcoming

What's happening?

Harley Street Business Improvement District wants to bring a new parklet to Marylebone Street. It will add greenery and seating, creating a space where people can relax, meet friends, or take a break.

Why it matters

This parklet will make the street more welcoming. It adds plants and places to sit, giving everyone a spot to connect and enjoy the area.
