

VOLUNTEERING & COMMUNITY SUPPORT

The Harley Street Business Improvement District connects local businesses with opportunities to support community organisations through volunteering, skills sharing, and donations. These initiatives help fund and deliver projects supporting young people, older people, people experiencing homelessness, and health and wellbeing programmes.

Volunteering Your Time & Skills

Support local charities, young people, older people, homelessness services and health & wellbeing projects.

Skills-Based Volunteering

Share professional expertise such as mentoring, CV support, workshops and business advice to help build skills and confidence.

Donations, Furniture & Resource Reuse

Donate surplus office furniture, equipment and reusable materials to support local charities, reduce waste and promote sustainability.

Share your skills or donate. Get in touch to find out how you can help.
